For more than 125 years, Thorogood boots have been entrusted by america's working men and women for their science, toughness and comfort. Weinbrenner Shoe Company and the Thorogood brand have been serving trades since 1892 when Albert H. Weinbrenner opened his first cobblestone in Milwaukee, Wisconsin. His first work boots were made for linemen who installed and maintained power lines in the rapidly growing North American grids. There are now more than 125 styles of Thorogood boots for sale worn by workers construction, factory technicians, police officers, firefighters and other high-risk occupations. And since 1943, most Thorogood footwear has been handmade in the U.S. by UFCW Union traders. U.S. work boots is where you can find Thorogood boots for sale that are fair to your feet. The leather work boot line includes a number of important safety features. You can get Thorogood boots with a or the steel toe to protect against impacts. They also offer waterproof work boots for wet environments and insulated boots for cold weather. Many of the company's boots are aimed at specific jobs or hobbies. We have Thorogood roof boots, tactical boots and hiker boots that are built with purpose to handle the unique dangers and circumstances of what you do. Don't need full-size boots? Thorogood work shoes have the protection you need in a smaller size - and often a more sophisticated look, as seen by their Oxford uniform shoes for postal workers and law enforcement. They also make many types of shoes on shoes to slide on your existing footwear. And good boots are not just for men; Thorogood women's footwear is specially designed for ladies' feet. Each Thorogood product, from classic American Heritage boots to crush-proof metatarsal boots, uses major footwear technologies to withstand fights, water, cold, fire and anything else you might find at work. Save your next pair of U.S. Work Boots and get free shipping in the bottom 48 states. member states.
